DISCLAIMER

The information contained in this Request for Proposal document ("RFP") or subsequently provided to bidders, verbally or in documentary or any other form by or on behalf of the Jabalpur Smart City Limited (here forth referred to as JSCL in this document) or any of its employees or advisers, is provided to bidders on the terms and conditions set out in this RFP and such other terms and conditions subject to which such information is provided.

This RFP is not an agreement and is not an invitation by the Employer to the prospective Consultants or any other person. The purpose of this RFP is to provide interested bidders with information that may be useful to them in the formulation of their Proposals pursuant to this RFP. This RFP includes statements, which reflect various assumptions and assessments arrived at by the Employer in relation to the Consultancy. Such assumptions, assessments and statements do not purport to contain all the information that each bidder may require. This RFP may not be appropriate for all persons, and it is not possible for the Employer, its employees or advisers to consider the objectives, technical expertise and particular needs of each party who reads or uses this RFP. The assumptions, assessments, statements and information contained in this RFP, may not be complete, accurate, adequate or correct. Each bidder should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments and information contained in this RFP and obtain independent advice from appropriate sources.

Information provided in this RFP to the bidder (consultant/contractor/developer/Manufacturer/Supplier etc.) is on a wide range of matters, some of which depends upon interpretation of law. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The Employer accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on the law expressed herein.

The JSCL and its employees and advisers make no representation or warranty and shall have no liability to any person including any bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFP or otherwise, including the accuracy, adequacy, correctness, reliability or completeness of the RFP and any assessment, assumption, statement or information contained therein or deemed to form part of this RFP or arising in any way in this Selection Process.

The JSCL also accepts no liability of any nature whether resulting from negligence or otherwise however caused arising from reliance of any bidder upon the statements contained in this RFP.

The JSCL may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumption contained in this RFP.

The issue of this RFP does not imply that the Employer is bound to select a bidder or to appoint the selected bidder, as the case may be, for the Consultancy and the JSCL reserves the right to reject all or any of the Proposals without assigning any reasons whatsoever.

The bidder shall bear all its costs associated with or relating to the preparation and submission of its Proposal including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by the JSCL or any other costs incurred in connection with or relating to its Proposal. All such costs and expenses will remain with the bidder and the JSCL shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a bidder in preparation or submission of the Proposal, regardless of the conduct or outcome of the Selection Process.

JSCL is interested in taking up the Installation of Open Air Gym (Outdoor) project on priority basis. As per the Smart City Proposal, the funding for this project is being sourced from Smart City Mission of Government of India.

Although JSCL is envisaging installing Open Air Gym (Outdoor) at many places within ABD, it is interested in taking up works at selected locations on pilotbasis.

JSCLisnowinvitingeligiblebiddersfortheworks“Supply,Installation&CommissioningofOpenAirGym (Outdoor)atVariousLocationsinJabalpurCityincludingwithaDefectLiabilityPeriodofTwoyears”.The locations of five Open Air Gym (Outdoor) are enclosed at the end of this document. The locations shown in the documents are tentative. JSCLmay change the location or add/delete equipment(s) anytime without priorinformationbeforeinstallationofEquipment"s.

The Defect Liability Period (DLP) shall be for a period of two years from the date of actual completion of the work. The completion of work shall be reckoned from the date of issue of completion certificate by the JSCL. The Bidder shall not claim the cost of works/items covered under the DLP in the AMC responsibilities which is part of this tender.

Note: The JSCL may plan to install new Open Air Gym Equipment(s) in addition to the one listed in the BoQ at either one or more locations. The Bidder has to arrange for such Equipment(s) upon request from JSCL. The cost for Supply and Installation of such Equipment(s) shall be borne by the JSCL.

JSCL shall collect the revenue and holds the rights for generating the revenues through advertisement from the project.

General

1.0 Scope of Tender

- a) The Jabalpur Smart City Limited (abbreviated as JSCL and referred to as the Employer in these documents) invites Unit Rate Tenders from eligible Bidders for the Works as defined as "Supply and Installation of Open Air Gym (Outdoor) Equipment at various locations in the Jabalpur City with Defect Liability Period of Two years" in this document and referred to as "the Works".
- b) The detailed Scope of Work and the Drawings can be referred at Section 7 and Annexure F of this document.
- c) The Bidder must extensively coordinate with JSCL and its Technical Consultant during all stage of the project. The successful bidder shall obtain written approvals from JSCL at all stages, before commencing work on any particular stage of work. During the Installation phase, after completion of any particular stage/phase of works and before commencing work on the next stage/phase of work, the successful bidder shall obtain written approval on the completed works/phase from JSCL, before commencing work on the next stage/phase of works.

The approvals as stated above shall include but not be limited to a) Approval of JSCL prior procuring the equipment b) Inspection of Open Air Gym equipment c) Approval of GA drawings d) Installation of Open Air Gym equipment e) Commissioning of Open Air Gym equipment's.

As a part of the approval process, the bidder shall, when changes are demanded by the Authority [The JSCL], modify and resubmit the submissions in accordance with the suggestions/comments made by the Authority. All such revisions shall be to the complete satisfaction of JSCL and on which mandatory written approvals obtained from the JSCL before commencing work related to the requested approval. No work under the scope of works under this bid/contract shall be commenced before obtaining the said written approval from the Authority.

All submissions including drawings shall be in five sets, duly signed and sealed.

The Bidder shall conduct relevant and necessary studies/investigations/feasibility analysis required for carrying out the scope of works. No separate payment for any such works shall be payable to the bidders/successful bidder.

All Design shall comply with relevant IS Codes or Relevant International Standards, NBC and codes/Standards as specified by the JSCL. In the event and for a particular work[s] an Indian Code[s]/Standard[s] is not available, the Bidders/Successful bidder shall identify and obtain approval from JSCL wherever new/other codes need to be adopted.

The Technical Consultant appointed by the JSCL shall proof-check all the GA drawings/details submitted by the successful bidder and approve the drawings for execution of works.

2. Eligible Bidders: shall be as defined in Section 1.

3. Qualification of the Bidder: shall be as defined in Section 1.

4. One Tender per Bidder: Each Bidder shall submit only one Tender for the Project. A Bidder who submits or participates in more than one Tender (other than as a Sub Bidder or in cases of alternatives that have been permitted or requested) will cause all the Proposals with the Bidder's Participation to be disqualified.

5. Cost of Tendering: The Bidder shall bear all Costs associated with the Preparation and Submission of his Tender and the Employer will in no case be Responsible and Liable for those Costs.

6. Site Visit: The Bidder, at his own Responsibility and Risk, is encouraged to visit and examine the Site of Works and its surroundings and obtain all Information that may be necessary for preparing the Tender and entering into a Contract for supply and installation of Gym Equipment's. The cost of visiting the sites shall be at the Bidder's own expense.

C. Tender Documents

7. Content of Tender Documents

The Set of Tender Documents shall have all the Sections given in Contents of this document.

8. Clarification of Tender Documents

A prospective Bidder requiring any clarification of the Tender Documents may present himself with his queries in the pre-bid meeting as detailed in the N.I.T. or send the same at the address/email indicated in the bid document so that these may reach the Authority before the date and time mentioned under KEY DATES.

9. Amendment of Tender Document

Before the Deadline for Submission of Tenders, the Employer may modify the Tender Document by issuing Addenda.

Any Addendum thus issued shall be part of the Tender Documents and shall be updated on the website and **NOT** communicated in writing to any purchaser of the Tender Document. To give Prospective Bidders reasonable time in which to take an Addendum into account in preparing their Tenders, the Employer may extend, as necessary, the Deadline for **Submission of Tenders, in accordance with S. No. 16 below.**

D. Preparation of Tenders

10. Documents Comprising the Tender

The submission shall be submitted both physically (hard Copy) as well as online. The **h a r d C o p y o f t h e** Tender shall be submitted by the Bidder with Three sealed envelope and shall contain the Documents as follows.

Envelope A:

- a. Original **Earnest Money Deposit:** (₹ 1 Lacs (EMD in the form of a DD /FDR. Or Online payment using Debit Card/Net Banking/RTGS/NEFT/. DD or FDR shall be drawn on Nationalized /Scheduled Bank in favour of Chief Executive Officer, Jabalpur Smart City Limited and payable at Jabalpur(MP) in a separate, sealed envelope).
- b. Letter of EMD (Envelope A)
- c. Pre Contract Integrity Pact duly Signed (On Rs 100 Non judicial stamp Paper, duly Notarized)

Envelope B:

- a. Letter of Technical Bid (Envelope B - as per format given in Page 14.)
- b. Pre-Qualification Information as per Format given in Section-1: Pre-qualification document.
- c. Any other information required for completing and submitting the tender by Bidders in accordance with these Instructions.

The Documents Listed under Sections - 1 shall be filled and submitted in without exception.

11. Tender Prices

The Contract shall be for the Whole Works as described in General Scope of Works clause 1.0 and its Sub Clause 1.1.

The lump sum rates quoted by the bidders shall not include any service tax. The quoted rate shall therefore be excluding the service tax but inclusive of other taxes & Duties, such as Labour Cess, Royalties, Sales Tax etc. imposed by the Government (State or Central)] and other Levies payable by the Bidder under the contract or for any other cause, shall be included in the Total Tender Price submitted by the Bidder. The Lump sum (sum of unit prices of all items in the BOQ) Price shall be inclusive of all taxes as applicable by the law. JSCL will not be responsible for changes in any of the tax rates.

The Lump sum Price quoted by the Bidders shall be subject to adjustment during the Performance of the Contract in Accordance with the Provisions of the General Conditions of Contract.

12. Tender Validity

Tenders shall remain valid for a period not **less than 180 days** after the Deadline Date for Tender Submission specified in Clause - 16. A Tender valid for a Shorter Period shall be rejected by the Employer as Non Responsive. In Exceptional Circumstances, prior to expiry of the Original Time Limit, the Employer may request that the Bidders may extend the Period of Validity for a specified additional period. There request and the

Bidders' responses shall be made in writing. A Bidder may refuse the request without forfeiting his Earnest Money Deposit. A Bidder agreeing to the request will not be required or permitted to modify his Tender, but will be required to extend the Validity of his Earnest Money Deposit for a period of the extension, and in compliance with Clause - 13 in all respects.

13. Earnest Money Deposit

The Bidder shall make the Earnest Money Deposit (₹ 52500 (EMD in the form of a DD /FDR. Or Online payment using Debit Card/Net Banking/RTGS/NEFT/. DD or FDR shall be drawn on Nationalized /Scheduled Bank in favour of Chief Executive Officer, Jabalpur Smart City Limited and payable at Jabalpur(MP) in a separate, sealed envelope).

Any Tender not accompanied by an acceptable Earnest Money Deposit as indicated in Sub Clause 13.1 above shall be rejected by the Employer as Non Responsive.

The Earnest Money Deposit of unsuccessful Bidders shall be returned within 30 days of the end of the Tender Validity Period specified in Sub Clause 12.1.

The Earnest Money Deposit made by a Bidder may be forfeited:

- (a) If the Bidder withdraws the Tender after Tender Opening or during the Period of Tender Validity;
- (b) If the Bidder does not accept the Correction of the Tender Price, pursuant to Clause 23; or
- (c) In the case of a successful Bidder, if the Bidder fails within the specified time limit to execute the Agreement with the JSCL for works under this bid.

14. Format and signing of Tender:

The tendering system for the work comprises three stages (i) EMD (ii) Technical Bid [Eligibility qualification] and (iii) online Financial Bid.

The Bidders are required to submit the online tender and submit hard copy with all required documents in Three Sealed Envelopes – A & B, as detailed above, manually within specified time and date at the address given below.

**Chief Executive Officer,
Jabalpur Smart City Limited
Manas Bhawan, Wright Town,
Jabalpur, Madhya Pradesh –
482002**

In Stage II [Technical Bid] the Bidder shall prepare the Documents comprising the Tender as described in Clause - 10 of these Instructions to Bidders. Bidders shall attach all Copies of Certificates pertaining to their Eligibility Criteria, Qualification Information Documents and Credit lines / Letter of Credit / Certificates from Scheduled Banks, failing which the Bid shall not be considered.

Stage III - Submission of Online Financial Bid.

The Tender shall contain no Alterations or Additions, except those to comply with instructions issued by the Employer.

E. Submission of Tenders

15. Procurement of Tenders

Tender Documents may be downloaded from the e procurement portal [https://Madhya Pradeshprocurement.gov.in](https://MadhyaPradeshprocurement.gov.in) as indicated in the NIT

Bidders shall submit signed, complete Proposal comprising the documents and forms in accordance with Clause 10 (Documents Comprising Proposal). The submission shall be physically (hard Copy) as well as online.

Only the authorized representative of the Bidder shall sign the original submission letters in the required format for the Qualification Documents, Technical Proposal and the Financial Proposal and shall initial all pages as required. The authorization shall be in the form of a written power of attorney attached to the Qualification Documents Proposal.

Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.

The signed Proposal shall be marked "Original". The scanned Copy shall be made from the signed original and submitted online. If there are discrepancies between the original and the scanned copies submitted online, the tender committee at JSCL shall decide the one prevails.

If the envelopes and packages with the Proposal are not sealed and marked as required, the Client will

assume no responsibility for the misplacement, loss, or premature opening of the Proposal.

16. Deadline for Submission of the Tenders

As per KEY DATES given in tender notice.

The Employer may extend the Deadline for Submission of Tenders by issuing an Amendment in accordance with Clause - 9, in which case all Rights and Obligations of the Employer and the Bidders previously subject to the original deadline will then be subject to the new deadline.

17. Late Tenders

Envelopes A & B received by the Employer after the Deadline prescribed as per KEY DATES given in tender notice will **not** be accepted.

F. Tender Opening and Evaluation

18. Opening of Envelope, A [EMD] and Envelope, B of all Tenders and Evaluation to determine Qualified Bidders:-

The Employer shall open Envelope, A of all the Tenders received (except those received late), in the presence of the Bidders or their representatives who choose to attend such opening of Envelope „A“ of the Tender at 11.00 HOURS ON 01.07.2017 at the office of the Chief Executive Officer, Jabalpur Smart City Limited. In the event of the Specified Date of Tender Opening being declared a holiday for the Employer, the Tenders will be opened at the appointed time and location on the next working day.

The Bidders' Names, the Presence or Absence of Earnest Money Deposit (Amount, Format and Validity), will be announced by the Employer at the opening. Late Submission of EMD will be rejected, unopened (wherever Applicable).

Envelope, B [Qualification Information] only of those Bidders who have submitted all the documents prescribed in Envelope A and are found in order in all respects shall be opened for technical evaluation.

The Employer shall prepare Minutes of the Tender Opening, including the information disclosed to those present in accordance with Sub Clause - 18.3 (Wherever Applicable).

Online tender of other bidders shall be kept unopened.

The Employer will evaluate and determine whether each Tender (a) meets the Eligibility Criteria defined in ITT Clause - 2; (b) is accompanied by the Required Earnest Money Deposit as per stipulations in ITT Clause 10 and (c) meets the Minimum Qualification Criteria stipulated in ITT Clause – 3 (Section 1). The Employer will draw out a List of Qualified Bidders and will intimate those Qualified Bidders.

19. Opening of online tender of Qualified Bidders and Evaluation.

The Employer will inform all the qualified Bidders the Time, Date and Venue fixed for the opening of online tender containing the Lump sum financial offer. The Employer will open the online tender of Qualified Bidders at the Appointed Time and Date in the presence of the Bidders or their Representatives who choose to attend. In the event of the Specified Date of online Tender opening being declared a holiday for the Employer, Online Tender shall be opened at the appointed Time and Location on the next working day.

The Bidders names, the Tender Prices, any discounts, and such other details as the Employer may consider appropriate, will be announced by the Employer at the time of opening.

The Employer shall prepare Minutes of the Online Tender Opening, including the Information disclosed to those present in accordance with Sub Clause -19.2.

20. Process to be Confidential

Information relating to the Examination, Clarification, Evaluation, and Comparison of Tenders and recommendations for the Award of a Contract will not be disclosed to Bidders or any other persons not officially concerned with such process until the Award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer's processing of Tenders or award decisions may result in the rejection of his Tender.

21. Clarification of Tenders

To assist in the Examination, Evaluation and Comparison of Tenders, the Employer may, at his discretion, ask any Bidder for clarification of his Tender. The request for clarification and the response shall be in writing, but no change in the price or substance of the Tender shall be sought, offered or permitted except as required to confirm the Correction of Arithmetic Errors discovered by the Employer in the evaluation of the Tenders in accordance with Clause -24.

Subject to Sub Clause 21.1, no Bidders shall contact the Employer on any matter relating to its Tender from

the time of the Tender opening to the time the Contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, he should do so in writing.

Any effort by the Bidder to influence the Employer in the Employer's Tender Evaluation, Tender Comparison or contract award decisions may result in the rejection of the Bidder's Tender.

22. Examination of Tenders and Determination of Responsiveness

Prior to the Detailed Evaluation of Tenders, the Employer will determine whether each Tender; (a) has been properly signed; and (b) is substantially responsive to the requirements of the Tender Documents.

A Substantially responsive Tender is one which

- a) Confirms to all the conditions or criteria set in the pre-qualification criteria
- b) submission of all supporting documents indicated in Section 1,
- c) EMD, Transaction (Document Fee), Processing Fee, Pre Contract Integrity Pact (in prescribed format) are enclosed,
- d) All forms and annexures are enclosed.
- e) Bid Capacity is achieved.
- f) Terms Conditions and Specifications of the Tender Documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the Scope, Quality or Performance of the Works; (b) which limits in any substantial way, inconsistent with the Tender Documents, the Employer's Rights or the Bidder's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Tenders.

If a Tender is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

23. Correction of Errors

Tenders determined to be substantially responsive will be checked by the Employer for any arithmetic errors.

The amount stated in the Tender will be adjusted by the Employer for the correction of errors and with the concurrence of the Bidder, shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, the Tender will be rejected, and the earnest money deposit may be forfeited in accordance with Sub-Clause 13.4(b).

24. Evaluation and Comparison of Tenders

The Employer will evaluate and compare only the Tenders determined to be Substantially Responsive in accordance with Clause -22.

In evaluating the Tenders, the Employer will determine for each Tender the evaluated Tender Price by adjusting the Tender Price as follows:

- (a) Making any Correction for Errors pursuant to Clause-23.

The Employer reserves the right to accept or reject any variation, deviation or alternative offer. Variations, deviations and alternative offers and other factors, which are in excess of the requirements of the Tender Documents or otherwise result in unsolicited benefits for the Employer, shall not be taken into account in Tender Evaluation.

After Evaluation of the Price Analysis, the Employer may require that the amount of the Performance Security be increased at the expense of the Successful Bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful Bidder under the contract.

G. Award of Contract

25. Award Criteria

Subject to Clause-26, the Employer will award the Contract to the Bidder whose Tender has been determined to be substantially responsive to the Tender Documents and who has offered the Lowest Evaluated Lump sum Tender Price, provided that such Bidder has been determined to be (a) Eligible in accordance with the Provisions of Clause - 2, and (b) Qualified in accordance with the Provisions of Clause -3.

26. Employer's Right to accept any Tender and to reject any or All Tenders

Notwithstanding Clause - 25, the Employer reserves the right to accept or reject any Tender, and to cancel the Tender process and reject all Tenders, at any time prior to the Award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or

Bidders of the grounds for the Employer's action.

27. Notification of Award and Signing of Agreement

The Bidder whose Tender has been accepted will be notified in writing of the award by the Engineer-In-Charge prior to expiration of the Tender validity period. This written communication from the employer to the successful Bidder shall be termed as the "Letter of Acceptance". This Letter (hereinafter called the "Letter of Acceptance") will state the sum that the Engineer-In-Charge will pay the Bidder in consideration of the execution and completion of the Works by the Bidder as prescribed by the Contract (herein after and in the Contract called the "ContractPrice").

The Notificationofawardwillconstitutetheformationof theContract.

The Agreement will incorporate all Agreements between the Engineer-In-Charge from JSCL and the successful Bidder. It will be kept ready for signature of the successful Bidder in the office of the Engineer-In-Charge within 21 days following the notification of award along with the Letter of Acceptance. Within 7 days of Receipt, the successful Bidder will sign the Agreement and deliver it to the Engineer-In- Charge, JSCL. The duration of the project will be considered from the date of issue of work order or date stipulated in the workorder.

SECTION 3: QUALIFICATION INFORMATION

The Bidder shall meet the Pre-qualification Criteria indicated in Section 1.

The Bidder performance for each work completed in the last 3 years and those in hand should be certified by an officer not below the rank of Engineer-In-Charge or equivalent. Details should be furnished in **Annexure-5**.

The Bidder should furnish a legal document in the form of an Affidavit in the Performa appearing in **Annexure-8** guaranteeing the truth and accuracy of all statements and information furnished by the bidder as part of this Tender. The Affidavit shall also authorize JSCL to approach any authority/person to verify the accuracy of the information furnished or enquire about the Bidder's competence and his Reputation in general.

Tender submitted by a Bidder, who has been debarred from undertaking any work or has been black-listed by any organization/agency in India as on the date of submission of this tender, shall be summarily rejected.

Bidder should have its own in-house Engineering wing fulfilling all the terms & conditions given in the Design and Specifications or can associate any electrical contractor who fulfils the requisite criteria given in the electrical sub heads in the tender document.

The Bidder is required to furnish all information in all the FORMS and their appurtenant formats included herein, (duly signed with seal) failing which the tender is liable to be rejected.

2. Agreements shall be drawn with the successful Bidder on approved Form, 'B'. Bidders shall quote his rates as per various terms and conditions given in the General Condition of the Contract mentioned in the bid document, including the general specification and drawing.
3. The time allowed for carrying out the work is **3 (Three) months**, including Rainy Season, to be reckoned from the date of written orders to commence the work.
4. Time is Essence of this contract.

SECTION 5: GENERAL CONDITIONS OF CONTRACT

1. **Security Deposit:** The person whose tender may be accepted (hereinafter called the Bidders which expression shall unless excluded by or repugnant to the context include his heirs executors, administrators representatives and assigns) shall permit JSCL at the time of making any payments to him for the value of work done under the contract to deduct the security deposit asunder.

The **Security Deposit** to be taken for the due performance of the contract under the terms & conditions printed on the tender form will be the earnest money plus a deduction of 5 % (F i v e Percent) from the payment made in the running bills. The EMD and Security advance together shall not be more than 5 % of the contract value. Further, upon completion of works and subsequent to issue of completion certificate as detailed in the special conditions of contract an amount equal to 50% of the total security deposit deducted from the running payments may be refunded to the contractor, provided that all the recoveries/out standings against the contractor have been realized. Balance 50 % of the amount shall be refunded after Four months of successful Operationperiod.

Performance Security:

I) BG against Performance Security computed @ 5 % of the contract value shall be deposited by the successful bidder at the time of signing of the contract. **This performance security shall be in addition to security deposit.**

II) a) An amount equal to 50 % value of the Performance security deposit in the form of Bank Guarantee as above shall be released on successful completion of One calendar year of the Defects Liability Period.

b) Balance amount equal to 50 % value of the Performance security deposit in the form of Bank Guarantee as above shall be released on successful completion of Two Calendar Years of the defects Liability Period.

The release of BG in lieu of the Performance Security as above shall be subject to the contractor furnishing a fresh BG for an amount equal to the amount to be retained by the JSCL.

2. Additional Performance Security:

If the rate quoted by the lowest Bidder (L1) considered to be unbalanced in relation to the Authority's estimated of cost of work to be performed under the contract, the Chief Executive Officer then may require giving the Bidder notice to submit detailed price/ rate analysis of major items of the work. The bidder shall submit the rate analysis within 7 days of such notice so as to demonstrate the internal consistency of these price(s)/rate(s) with his quoted price(s)/rate(s). After revaluation by tender sanctioning authority, Chief Executive Officer may require the Bidder to submit 5 % additional Security over the performance security in the form of B.G., which shall be refunded along with the Second instalment of the normal Security Deposit (After four months of completion of successful operation period of works). In the event, contractor fails to complete the work to the satisfaction of the authority or abandoned the work incomplete, the authority may forfeit this 5 % additional Performance Security Deposit along with performance security and Security deposit & the agreement shall be terminated and action shall be taken accordingly. In case if the lowest Bidder, whose rates quoted, is considered to be unbalanced, does not agree to deposit additional 5 % Security Deposit then his bid may be rejected by the sanctioning authority and earnest money shall be forfeited

3. The Bidders is /are to provide everything of every sort and kind (with the exception noted in the schedule attached) which may be necessary and requisite for the due and proper execution of the several works included in the contract according to the true intent and meaning of the drawings and specifications taken together, which are to be signed by the Engineer in Charge designated by the JSCL (hereinafter called the Engineer-In-Charge) and the Bidder whether the same may not be particularly described in the specifications or shown on the drawings, provided that the same are reasonably and obviously to be inferred there from and in case of any discrepancy between the drawings and the specifications the Engineer-In-Charge which shall prevail.
4. The Bidder (s) is/are to set out the whole of the works in conjunction with an officer to be deputed by the Engineer-in-charge and during the progress of the works, to amend on the requisition of the Engineer-in-charge any errors which may arise therein and provide all the necessary labours, and materials for so doing. The Bidder(s) is/are to provide all plant, labour and materials (with the exceptions noted in the schedule attached) which may be necessary and requisite for the works. All the materials and workmanship are to be the best of their respective kinds. The Bidder(s) is/are to leave the works in all aspects clean and perfect at the completion thereof.
5. The Bidder must extensively coordinate with JSCL and its consultants during design and construction stage.
6. The bidder shall be responsible for any damage caused to existing infrastructure/buildings etc. Upon request from JSCL or by himself shall restore the damaged works at his own cost to the satisfaction of the JSCL
7. The Engineer-in-charge is to have at all times access to the works which are to be entirely under his control. He may require the Bidder(s) to dismiss any person in the Bidder (s) employ upon the works that may be incompetent or misconduct him and the Bidder(s) is/are forthwith to comply with such requirements.

8. The Bidder (s) cannot vary or deviate from the drawings or specifications or execute any extra work of any kind whatsoever unless upon the authority of Engineer-in-charge to be sufficiently shown by any order in writing by any plan or drawings expressly given and signed by him as extra or variation or by any subsequent written approval signed by him. In cases of daily labor all vouchers for the same are to be delivered to the Engineer-in-charge or the officers-in-charge at least during the week following that in which the workmen have been engaged and only such day work is to be allowed for as such as may have been authorized by the Engineer-in-charge to be done unless the work cannot from its character be properly measured and valued.
9. Excavation: The contractor has to stack the excavated material at a location designated by the Engineer In Charge (E in C) (JSCL official). The location will be within the site premises. The contractor shall spread the back fill material at places indicated by the E in C at his own cost. In case the contractor is instructed to spread the material outside the site premises, JSCL shall pay extra for the transportation as per the prevailing SOR rates.
10. The contractor should submit the supply and installation plan and have it approved by JSCL.
11. The Contractor shall have approvals from JSCL prior to the commencement of the tasks/activities.
12. All works indicated in the scope of Services of this tender (Manufacturing, Installation of Equipment, Backfilling, shuttering, Concreting, steel work, etc) Quality, Testing, Sampling, shall be done in accordance with BIS or relevant Standards and specifications.
13. Contractor shall submit mock samples and product literature of all material (Equipment's /Material used in building foundations etc) & have it approved by JSCL before procuring the materials.
14. The Contractor has to strictly adhere to the instructions provided by the JSCL officials from time to time. The contractor shall rectify bad workmanship works within the stipulated time provided by the E in C. The E in C has the right to dismantle the works which according to him is not complying with the drawings and standards. The Contractor upon receiving such instruction shall either rectify the defect or dismantle the structure at his own cost.
15. The E in C has the right to reject the works that according to him is not complying the standards and specifications. The contractor upon receiving such instruction with no time shall stop the works and discard the material/works at his own cost.
16. In case the contractor does not obey the instructions of the E in C, the E In C has the authority to get the work/dismantling rectified by other contractors/workers. The cost of such work on actual basis will be deducted from the contractor's bill.
17. All work materials brought and left upon the ground by the Bidder(s) or his/their orders for the purpose of forming part of the works are to be considered to be the property of the JSCL and the same are not to be removed or taken away by the Bidder's or any other person without the special license and consent in writing of the Engineer-in-charge but the JSCL is not to be in any way answerable for any loss or damage which may happen to or in respect of any such work or materials either by the same being lost or stolen or injured by weather or otherwise.
18. The Engineer-in-charge has full power to require the removal from the premises of all Equipment or materials which, in his opinion, are not in accordance with the specification and in case of default, the Engineer-in-charge is to be at liberty to employ other persons to remove the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The Engineer-in-charge is also to have full power to substitute other improper materials to be substituted and in case of default, the Engineer-in-charge may cause the same to be supplied and all costs which may arise due to such removal and substitution are to be borne by the Bidder(s).
19. If in the opinion of the Engineer-in-charge any of the works, are executed with improper/Inferior equipment or materials or defective workmanship, the Bidder(s) is/are, when required by the Engineer-in-charge forthwith to re-execute the same and to substitute proper materials and workmanship and in case of default of the Bidder(s) in so doing within a week the Engineer-in-charge is to have full power to employ other persons/agency to re-execute the work and the cost thereof shall be borne by the Bidder(s).
20. Any Defects, damage or other faults which may appear within the Performance period arising out of defective or improper materials or workmanship or due to any other reason are, upon the direction of the Engineer-in-charge, to be amended and made good by the Bidder at his / their own cost unless the Engineer-in-charge decides that he/they ought to be paid for the same and in case of default the Engineer-in-charge may recover from the Bidder (s) the cost of making good the works as per prevailing norms and specifications.
21. From the Commencement of the work to the completion of the same, the site and the works thereupon are to be under the Bidder(s) charge. The Bidder (s) is/are to be held responsible for and to make good all injuries, damages and repairs occasioned or rendered necessary to the same by fire or other causes and they are to hold

the JSCL harmless from any claims for injuries to persons or for structural damage to property happening from any neglect, default, want of proper care or misconduct on the part of the Bidder(s) or of any one in his/their employment during the execution of the works.

22. The Engineer-in-charge is to have full power to send workmen upon the premises to execute fittings and other works not included in the Contract for whose operation Bidder (s) is/are to afford every reasonable facility during ordinary working hours, provided that such operation shall be carried on in such manner as not to impede the progress of the work included in the contract but the Bidder(s) is/are not to be held responsible for any damage which may happen to or be occasioned by any such fittings or other works.
23. The works are to be commenced immediately upon receipt of order of commencement given in writing by the Engineer-in-charge. The whole work, including all such addition and variations as aforesaid (but excluding such, if any, as may have been postponed by an order from the Engineer-in charge) shall be completed in every respect within Three(3) months including rainy season from the reckoned date. The work shall throughout the stipulated period of contract be proceeded with all due diligence, keeping in view that time is the essence of the contract.
24. In any case in which under any clause or this contract the Bidder shall have renders himself liable to pay compensation amounting to the whole of the security deposit (whether paid in one sum or deducted by installments) or committed a breach of any terms in Fair Wages or in the case of delays beyond three months or in case of abandonment of the work owing to the serious illness or death of the Bidder or any other cause, Engineer-In-Charge on behalf of the JSCL shall have power to adopt any one of the following courses, as he may deem best suited to the interest of the Board.
 - (a) The rescind of contract, (of which recession notice in writing to the Bidder under the hand of the Engineer- In-Charge shall be conclusive evidence) and in which case the security deposit of the Bidder shall stand forfeited and be absolutely at the disposal of the Board.
 - (b) To employ labour paid by the JSCL or by employing JSCL machinery and to supply materials to carry out work, or any part of the work, debiting the Bidder with the cost of the labour or hire charge of JSCL machinery and the price of the materials (of the amount of which cost and price, a certificate of the Engineer-In-Charge shall be final and conclusive against the Bidder) and crediting him with the value of the work done, in all respects in the same manner and the same rates as it had been carried out by the Bidder under the terms of this contract or the cost of the labour and the price of the materials as certified by the Engineer-In-Charge whichever is less the certificate of the Engineer-In-Charge as to the value of the work done shall be final and conclusive against the Bidder. This does not qualify the Bidder to any refund if the work is carried out at lower rates than the rates quoted by the Bidder. Saving, if any, will go to the Board.
 - (c) To measure up the work of Bidder and to take such part thereof as shall be unexecuted out of his hands and to give it to another Bidder to complete in which case any expenses which may be incurred in excess of the sum which would have been paid to the original Bidder if the whole work had been executed by him (of the amount of which excess certificate in writing or the Engineer-In- Charge shall be final and conclusive) shall be borne and paid by the original Bidder and may be deducted from any money due to him by JSCL under the contract or otherwise or from his security deposit or the proceeds of sale thereof or a sufficient part thereof. The same provision of recovery of the difference amount will apply in case of failure in compliance on part of the Bidder to execute the work or part of the work as per work and time schedule. Engineer-In-Charge will have the right to decide as to which work or which part of work / item is to be put in fresh tender in case of failure in execution as the part of the Bidder.
 - (d) In the event of any of the above courses being adopted by the Engineer-In- Charge, the Bidder shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any agreement or made advances on account of or with a view to the execution of the work or the performance of the contract. And in case the contract shall be rescind under the provisions aforesaid, the Bidder shall not be entitled to recover or to be paid any sum for any work thereof actually performed under this contract, unless and until the Engineer-In- Charge will have certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified..
25. For Delay in completion of work by the Bidder, the Engineer-In-Charge have full power to recover penalty in following manners:-
26. For Delay Period the Penalty will be calculated Per Week at 1/16 Percent of Agreement Amount. Total Penalty limited maximum to 5% of Agreement Amount. Engineer-In-Charge will be fully responsible for recovery of Penalty.
27. If the Bidder shall desire an extension of time for completion of work on the ground of his having been "UNAVOIDABLY" such as Natural Calamities, Land Dispute, Delay in Approval of Layout, Environmental Clearance, Building Permission from local bodies hindered in its execution or on any other ground, he must apply giving all and complete details of each of such hindrances or other causes in writing, to the Engineer-in-charge positively within 15 (Fifteen) days of occurrence of such hindrance(s) and seek extension of time. If in

the opinion of Engineer-in-charge, such reasonable grounds are shown, the Engineer-in-charge shall himself grant extension of time, only if the extension of time sought by the Bidder is for one month or 10% (ten per cent) of the stipulated period of completion, whichever is more. If the extension of time sought is more than the above mentioned period, then the Engineer-in-charge shall refer the case to the CEO,JSCL with his recommendation and only after his decision in this regard, the Engineer-in-charge shall sanction extension of such time as decided by the CEO.

Once the CEO,JSCL has decided the case of extension of time with reference to the particular application of the Bidder, it will not be competent for them to review/change such a decision later on. However, the Engineer-in-charge and the CEO shall give the Bidder an opportunity to be heard (orally and or in writing), before taking any final decision either of granting extension of time or permitting the Bidder to complete the work by the delayed date or before refusing both. Provided further where the Engineer-in-charge has recommended grant of extension of particular time of the contract or has refused to recommend extension of time but has recommended permitting the Bidder for delayed completion, the Bidder shall continue with the work till the final decision by CEO Once the CEO / Engineer-in-charge has heard (oral and or in writing) the Bidder on this subject matter of extension of time and if CEO / Engineer-in-charge fails to communicate his decision within a period of 30 (Thirty) days of such hearing, it shall be deemed that the Bidder has been granted extension of time for the period as applied by him.

28. Compensation Events for consideration of extension of time without penalty:-

There shall be no compensation events.

29. Action when the work is left incomplete abandoned or delayed beyond the time limit permitted by the CEO /Engineer-in-charge.

(i) The Engineer-in-charge may terminate the contract if the Bidder causes a fundamental breach of the contract.

(ii) Fundamental breach of contract shall include, but not be limited to, the following: -

a) The Bidder stops work for four weeks, when no stoppage of work is shown on the current programme or the stoppage has not been authorized as by the Engineer-in-charge.

b) If serious rectification of bad / poor quality work is not done by the Bidder within 15 days from 1st notice issued to him by Engineer-in-charge might attract termination of the agreement and whole performance guarantee will be forfeited.

c) If the Bidder fails to appoint the technical staff and if appointed do not function properly for 4 weeks even after due written notice by the Engineer-in-charge.

d) If he violates labour laws.

e) Any other deficiency which goes to the root of the contract Performance

(iii) If the contract is terminated, the Bidder shall stop work immediately, make the site safe and secure and leave the site as soon as reasonably possible.

(iv) The Engineer - in - charge shall cause recording and checking of measurements of all items of work done (taking in to account quality and quantity of items actually executed) and prepare the final bill after adjusting all previous outstanding dues. Such recording of measurements shall be done after due notice regarding time and date of recording measurement and directing the Bidder to either remain present himself or his authorized representative so as to satisfy himself that the recording of measurement is just and proper. Failure on his parts either to attend and or refusing to acknowledge the measurement so recorded in the department measurement book, shall be at his sole risk and responsibility.

30. The Bidder(s) shall be paid as per the payment schedule.

31. A certificate of the Engineer - in - charge or an award of the referee hereinafter referred to as the case may be, showing the final balance due or payable for the Bidder(s) is to be conclusive evidence of the works / having been duly completed and that the Bidder(s) is/are entitled to receive payment of the final balance but without prejudice to the liability of the Bidder(s) under provisions of clause.

32. ARBITRATION CLAUSE:

Except as otherwise provided in this contract all question and dispute relating to the meaning of the specification, designs, drawings and instruction herein before mentioned as to thing whatsoever in any way arising out of or relating to the contract designs, drawings, specification, estimate, concerning the works, or the execution or failure to execute the same, whether arising during the progress of the work, or after the abandonment thereof shall be referred to the TA -JSCL for his/her decision, within a period of 30 (thirty) days of such an occurrence (s). There upon the TA-JSCL shall give his written instructions and/or decisions, after hearing the contractor and Engineer in Charge within a period of 15 (fifteen) days of such request. This period can be extended by mutual consent of parties. Upon receipt of written instructions or decisions, of TA -JSCL the parties shall promptly proceed without delay to comply such instructions or decisions. If the TA-JSCL fails to give his instruction or decisions in writing within a period of 15 (fifteen) days or mutually agreed time after being requested and/or, if the party (es) is/are aggrieved against the decision of TA-JSCL, the aggrieved party may within 30 days prefer an appeal to the Chief Executive Officer -JSCL, who shall afford an opportunity to the parties of being heard and to offer evidence in support of his appeal. The, Chief Executive Officer, will give his decision within 30 (thirty) days, or such, mutually agreed period. If any party is not satisfied with the decision of the Chief Executive Officer, he can file a petition for resolving the dispute through arbitration in the arbitration tribunal. A reference to Arbitration Tribunal shall be no ground for not continuing the work on the part of the Contractor. Payment as per original terms and condition of the agreement shall be continued by the Engineer in Charge.

33. If at any time before or after the commencement of the work, Engineer-in-charge shall for any reason whatsoever:-

(a) Cause alterations, omissions or variations in the drawings and specifications involving any curtailment of works as originally contemplated; or

(b) Not requiring the whole of the work as specified in the tender to be carried out, The Bidder(s) shall have no claim to any payment or compensation whatsoever on account of any profit or advantage which he/they might have derived from the execution of the work in full as specified in the tender but which he/they did not derive in consequence of the curtailment of the works by reasons of alterations, omissions or variations or in consequence of the full amount of the work not having been carried out. But the Bidder(s) shall be entitled to compensation for any loss sustained by him/they by reason of his/their having purchased or procured any materials or entered in to any engagements or made any advance to labour or taken any other preliminary or incidental measures on account of or with a view to the execution of the works or the performance of the contract.

34. Death or permanent invalidity of Bidder: - if the Bidder is an individual or a proprietary concern or a partnership concern, dies during the currency of the contract or becomes permanently incapacitated, and where the surviving partners are only minors, the contract shall be closed without levying any damages/compensation as provided in the contract agreement. However, if competent authority is satisfied about the competence of the surviving Partner[s], then the competent authority Engineer - in - charge shall enter into a fresh agreement for the remaining work strictly on the same terms and condition under which the contract was awarded.

35. The JSCL shall have the right to cause Audit and Technical Examination of the work and the final bills of the Bidder including all supporting voucher, abstract, etc. to be made as per payment of the final bill and if as a result of such Audit and Technical Examination the sum is found to have been overpaid in respect of any work done by the Bidder under contract or not to have been executed, the Bidder shall be liable for refund of the amount of over payment and it shall be lawful for the JSCL to recover the same from the security deposit of the Bidder or from any other dues payable to the Bidder. If it is found that the Bidder was paid less than what was due to him under the contract the amount of such under payment shall be duly paid by the JSCL, to the Bidder. In the case of any audit examination and recovery consequent on the same, the Bidder shall be given an opportunity to explain his case and the decision of the Chief Executive Officer- JSCL shall be final. In the case of Technical Audit, consequent on which there is a recovery from the Bidder no recovery should be made without orders of the Chief Executive Officer- JSCL whose decision shall be final. All action(s) under this clause should be initiated and intimated to the Bidder within a period of Twelve months from the date of completion.

36. In case any item/work is not executed as per the drawings, designs, estimates and /or specifications (as per the agreement executed) the same shall be deducted and recovered from the Bidder at prevailing market rates or at par with JSCL/HSR in force whichever is less at the time of execution. No compensation shall be paid for any change in quantities occurring due to site and/or requirements of design.

37. JSCL reserves the right to accept or reject any Tenders or all tender at any time prior to the Award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the JSCL action.

38. All Drawings & Designs submitted by Bidders should be environmental and disabled friendly.
39. All soft and hard copies of the Drawings & Designs submitted by Bidders shall be property of JSCL & JSCL has all power to choose & adopt any drawings/designs submitted by all Bidders.
40. The authority competent to accept a tender reserves the right of accepting the tender for the whole work or for distinct part of it or of distributing the work between one or more Bidders.
41. Subletting of works: - The contract may be rescinded and security deposit forfeited, for subletting the work beyond permissible limits as mentioned below or if Bidder becomes insolvent:-

The contract shall not be assigned or sublet without prior sanction of the authority who has accepted the tender and if the written Bidder assigns or sublets his contract, for more than permissible limits as mentioned below or attempts to do so, or becomes insolvent or commences any insolvency proceedings or makes any composition with his creditors, or attempts to do so or if any gratuity, gift, loan, perquisite, reward of any advantage pecuniary or otherwise, shall either directly or indirectly be given, promised or offered by the Bidder, or any of his servants or agents or to any public officer or person in the employ of JSCL in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Chief Executive Officer may, there upon by notice in writing, rescind the contract, and the Earnest Money & Security Deposit of the Bidder shall there upon stand forfeited and be absolutely at the disposal of Engineer-In-Charge JSCL and the same consequences shall ensure as if the contract had been rescinded thereof and in addition, the Bidder shall not be entitled to recover or be paid for any work thereto for actually performed under the contract. Any such assignment/subletting within the limit of 25% by the authority who has accepted the tenders OR

50 % by the next higher authority accepting the tender as the case may be shall not diminish or dilute the liability/ responsibility of the Bidder. If the Bidder gets item / items of work executed on a task rate basis with / without materials, this shall not amount to subletting of the contract. Any subcontracted work, done in Madhya Pradesh state with prior approval of competent authority, such sub-Bidder will also get the credit for work towards his experience.

42. Taxes, Royalty etc.:(GST)

[a] Taxes: The rate quoted by the Bidder **shall not include any service Tax component.** The quoted rate shall therefore be excluding the GST but inclusive of the other taxes such as sales and other levies, duties, royalties, cess, toll, taxes of Central and State Governments, local bodies and authorities that the Bidder will have to pay for the performance of this Contract. The JSCL will perform such duties in regard to the deduction of such taxes at source as per applicable law. Any payment claimed by the Bidder due to any change[s] in the existing tax structure shall not be entertained by the JSCL.(GST)

[b] Royalty on Minor Minerals: The Bidder shall pay all quarries, Royalty charges etc. If the Bidder fails to produce the royalty clearance certificate from concerned department then the Chief Executive Officer shall deduct the royalty charges from his bills and keep in deposit head, which shall be refunded to the Bidder on production of royalty clearance certificate from the concerned department. If he fails to produce the royalty clearance certificate within 30 days of submission of final bill, then royalty charges which were kept under deposit head by the Chief Executive Officer shall be deposited to the concerned department and his final bill payment shall be released.

In all cases where change[s] in the royalty rates of minor minerals are notified by the state government after the date of submission of financial offer by the bidder/ Bidder the same shall be not reimbursed.

[c] Income tax at the rate of 2% or such other percentage as may be fixed by income tax department from time to time from any sum payable to the Bidder shall, at the time of credit of such sum or at the time of payment to the Bidder by cash, cheque or draft or any other mode, shall be deducted at the source from the running, final or any type of payment for this contract as per section 194 of income tax Act.1961.

[d] Commercial tax at the rate of 2% or such other percentage as may be fixed by Commercial tax department from time to time from any sum payable to the Bidder shall, at the time of credit of such sum or at the time of payment to the Bidder by cash / cheque or draft or any other mode, shall be deducted at the source from the running, final or any type of payment for this contract as per Commercial Tax Act.

[e] Labour Welfare Tax at the rate of 1% or such other percentage as may be fixed by Labour department Government of Madhya Pradesh from time to time from any sum payable to the Bidder shall, at the time of credit of such sum or at the time of payment to the Bidder by cash / cheque or draft or any other mode, shall be deducted at the source from the running, final or any type of payment for this contract as per Labour Act.

43. It is open to the Bidder, as the case may be; to make an application to the Income Tax officer concerned and obtain from him a certificate authorizing the payer to deduct tax at such lower rate or deduct no tax as may be appropriate to his case. Such certificate will be valid for the period specified therein unless it is cancelled by the income Tax Officer earlier.

44. Model Rules for water supply, Sanitation in Labour Camps: The Bidder will be bound to follow the Madhya Pradesh model rules relating to layout of water supply and sanitation in labour camps (Vide Annexure-A).
45. Fair wages to Labourers: The Bidder shall pay not less than minimum wages as described in the Labour Acts & Laws to labourers engaged by him on the work. (Copy of rules enclosed vide Annexure-B).
46. Right to take up work departmentally or to award on contract: The Chief Executive Officer, JSCL reserves the right to take up departmental work or to award works on contract in the vicinity without prejudice to the terms of contract.
47. Issue of Materials by the Department: No Materials shall be supplied by the JSCL. So far as supply of cement and steel (TMT Bars) and other materials is concerned these are to be arranged by the Bidder himself at his own cost and the conditions given in the Annexure-E shall prevail.
48. The Bidder shall execute the work as per detailed specifications as incorporated in the tender document and in accordance with the approved drawings and special conditions incorporated in the tender documents.
49. Removal of unsuitable or undesirable employees of Bidder: The Bidder shall, on receipt or the requisition form the Engineer-in-charge at once remove any person employed by him on the work who in the opinion of Engineer-in-charge is unsuitable or undesirable.
50. Recovery of Amount by JSCL from Bidder: Any amount due to JSCL from the Bidder on any account, concerning work may be recovered from him as arrears of land revenue and/or from payment due to him in any of the Govt. / Semi Government Department.
51. Transport of materials is Bidder responsibility: The Bidder shall make his own arrangement for transport of all materials. JSCL is not bound to arrange for priorities for getting wagons or any other materials though all possible assistance by way of recommendation will be given, if it is found necessary in the opinion of the Engineer-in-Charge. If the efforts of the Engineer-in-charge prove ineffective, the Bidder shall have no claim for any compensation on this account.
52. Arrangement of Tools and Plants: The Bidder shall arrange at his own cost tools and plants required for proper execution of work.
53. Increase or Decrease of work specified within BOQ listed items: The competent authority reserves the right to increase or decrease any work specified within the BOQ listed items during the currency of the contract and Bidder will be bound to comply with the order of the competent authority.
54. Execution of work according to time schedule: The work shall be done by the Bidder according to the time schedule fixed by the Engineer-In-Charge, JSCL.
55. Canvassing or support or acceptance of tender: Canvassing or support in any form for the acceptance of any tender is strictly prohibited. Any Bidder doing so will render him liable to penalties which may include removal of his name from the register of approved Bidders.
56. List of persons employed by Bidder: Bidder shall not be permitted to tender for works in the JSCL who's near relative is posted as Assistant Engineer or above capacity. A list showing the names of the persons who are working with the Bidder and are near relatives to any officer in the JSCL should also be appended to the tender. The Bidder should also intimate to the Engineer-In-Charge the names of subsequently employed persons who are near relatives of any officer in JSCL. Any breach of this condition by the Bidder would render him liable to be removed from the bidding process.
57. **Validity of Offer:** Tenders shall remain open up to 60 days from the prescribed date of opening of tenders. However, In the event of the Bidder withdrawing the offer before the aforesaid dates for any reason whatsoever, Earnest money deposited with the tender shall be forfeited.

In the event of Bidder withdrawing his/her offer before the expiry of the period of validity of offer or failing to execute the contract agreement he/she not be entitled to tender for this work in the case of recall of tenders in addition to forfeiture of his/her earnest money as may be applicable for the work. If the Bidder has committed a similar default on an earlier occasion as well, his/her registration in the department may be suspended temporarily for a period of 6 months from such date as may be ordered by the authority which had registered him/her.

58. **Bank Commission Charges:** Bank commission charges in all payments by demand drafts outside the State will not be borne by the JSCL but by the Bidder himself.
59. **Force Majeure:** Should failure in performance of any part of this contract arise from war, insurrection, restraint

imposed by JSCL, act of Legislature or other authority, stoppage of hindrance in the supply of raw materials, or fuel, explosion, accident, strike, riot, lockout, or other disorganization, of labour or transport, breakdown of machine, flood, fire act of God, or any inevitable or unforeseen event beyond human control directly or indirectly interfering with the supply of stores or from any cause which may be a reasonable ground for an extension of time, the competent authority will allow such additional time as he considers to be justified in the circumstances of the case. No compensation will be payable to the Bidder for any loss incurred by him due to these reasons.

60. Each Bidder shall supply the name, residence and place of business of the person or persons submitting the tender and shall be signed by the Bidder with his usual signature. When tender is submitted by partnerships the full names of all partners shall be furnished. An attested copy of the constitution of the firm and the registration number of the firm shall be furnished. In such a case, the tender must be signed separately by each partner thereof or in the event of the absence of any partner it must be signed on his behalf by a person holding a power of attorney authorizing him to do so. Tenders by a company /corporation shall be signed with the legal name of the company/corporation followed by the name of the state of incorporation and by signature and by designation of the president, secretary or other persons authorized to bind it in the matter.

61. Technical Knowledge and staff:

[a] The tender shall be submitted with an Information that the Bidder has successfully carried out similar works of this nature and has adequate organization, machinery and experienced personnel to handle jobs of this type and magnitude.

62. A brief description of similar works previously executed by Bidder: After the tender has been opened any Bidder may be required to submit detailed particulars of such works along with manner of their execution and any other information that will satisfy the officer receiving the tender that the Bidder has adequate organization, including experienced personnel to execute vigorously the work to be carried out as per these specifications.

(a) The Bidder shall employ adequate Construction Managers, Graduate Engineers & Diploma Engineers as Technical Staff during the execution of the work.

(b) The Technical Staff should be available at site and take instructions from the Engineer-in-Charge or other supervisory staff including PMC.

(c) In case the Bidder fails to employ the technical staff as aforesaid, the Engineer-In-Charge shall have the right to take suitable remedial measures.

(d) The Bidder shall give the names and other details of the graduate engineer / diploma engineer to whom he intends to employ or who is under employment with him, at the time of agreement and also give his curriculum vita.

(e) The Bidder shall give a certificate to the effect that the graduate engineer / diploma engineer is exclusively in his employment.

(f) A Retired Assistant Engineer who is holding a diploma may be treated at par with a Graduate Engineer for the operation of the above clause.

Note: - Such Degree or Diploma engineer must always be available on works site on day to day basis and actively supervise, instruct and guide the Bidder's work force and also receive instruction from the Departmental Engineers / Sub engineers. In case the Bidder fails to employ the required technical staff or fails to employ technical staff / personnel as submitted by the Bidder in Prequalification documents and or the technical staff/personnel so employed are generally not available on work site and or do not receive or comply the instructions of the Departmental Engineers, the Engineer-In-Charge shall recover / deduct from his bills as directed by the Engineer – Incharge.

63. The tender documents have to be completed and submitted with all the documents required in the tender notice. Following is the summary of the documents required to be submitted with the completed tender form.

[a] Name, residence and place of business etc.

[b] Details of contracts already held by the Bidder.

[c] Attested copy of the constitution of firm and power of attorney.

[d] A declaration that there has been no conviction imprisonment for an offence involving moral turpitude.

[e] Declaration and description.

64. **Registration with Labor Department:** As per rule 1976 rule-21 (Form-4) or applicable laws, the successful Bidder shall submit the Labor registration Certificate after issuing the work order and prior to the Commencement of work.

-
65. **Insurance:** The bidder shall have a suitable insurance to cover all the risks that are likely to occur from the scope of services indicated in this project.
 66. **Indemnify:** The bidder shall indemnify the JSCL and its Project Management Consultant staff on all accounts from all aspects while performing the scope of services of this project.

SECTION 6: SPECIAL CONDITIONS OF CONTRACT

General: The special conditions are supplementary instructions to the tenders and shall form part of the contract.

Drawing: All Drawings/Layout plans given in Section 7 are for reference or guidance purpose only. The Bidder will submit the GA drawings and Foundation details of each Equipment location wise and same shall be reviewed and approved by Engineer – In charge of JSCL or through other agency approved by JSCL.

Data to be furnished by the Bidder: The Bidder shall submit the following information to the Engineer-in-charge.

Proposed Supply and Installation time schedule showing sequence of operations within **15 days** of receipt of notice to proceed with the work in pursuance of the conditions of contract.

Action when the progress of any crucial item of work is unsatisfactory: If the progress of a crucial item of work, which is important for timely completion of work is unsatisfactory, the Engineer-in-charge shall not withstanding that the general progress of work is satisfactory, after giving the Bidder **15 days** notice in writing get the said work executed by employing other means including other labour / Bidder etc. and the Bidder will have no claim for compensation for any loss sustained by him owing to such action.

Inspection and Tests: Except as otherwise provided in here of all equipment, material and workmanship if not otherwise designated by the specifications shall be subject to inspection, examination and test by the Engineer-in-Charge at any and all times during manufacture and/or Installation at any/all places where such manufacture or Installation shall be carried on. The bidder shall furnish the entire material test certificate during inspection or on demand of the Engineer –In-Charge. The Engineer-in charge shall have the right to reject defective materials and workmanship or require its corrections. Rejected workmanship shall be satisfactorily replaced with the proper material without charge thereof and the Bidder shall properly segregate and remove the rejected material from the premises. If the Bidder fails to proceed at once with the replacement of the rejected material and/or rectification of poor/defective workmanship the Engineer-in charge may replace such material and/or correct such workmanship and charge the cost thereof to the Bidder.

The Bidder shall be liable for replacement of defective work up to the time of completion of DLP in accordance with the conditions of contract of all work to be done under the contract. The Bidder shall furnish promptly without additional charge all facilities, labour and material necessary for the safe and convenient inspection and tests that may be required by the Engineer-in-Charge. All inspections and tests by the departments shall be performed in such a manner as to not unnecessarily delay the work. Special full size and performance test shall be charged with any additional cost of inspection when materials and workmanship are not kept ready by the Bidder at the time of inspection.

Removal of temporary work, Plant & Surplus materials: Prior to final acceptance of the completed work, but excepting as otherwise expressly directed or permitted in writing, the Bidder shall, at his own expenses remove from the site and dispose of all the temporary structures including buildings, all plant and surplus materials, and all rubbish and debris for which he is responsible to the satisfaction of Engineer -in-Charge.

Possession prior to completion: The Engineer-in-Charge shall have the right to take possession of or use any completed part of the work. Such possession or use shall not be deemed as an acceptance of any work not completed in accordance with the contract.

Damages to works: The works whether fully completed or incomplete, all the materials, machinery, plants, tools, temporary building and other things connected therewith shall remain at the risk and in the sole charge of the Bidder until the completed work has been delivered to the Engineer-in-Charge and till completion certificate has been obtained from the Engineer in-charge. Until such delivery of the completed work, the Bidder shall at his own cost take all precautions reasonably to keep all the aforesaid works, materials, machinery, plants, temporary buildings and other things connected therewith free from any loss, damages and in the event of the same or any part thereof being lost or damaged, he shall forthwith reinstate and make good such loss or damages at his own cost.

Examination and tests on completions: On the completion of the work and not later than three months thereafter, the Engineer-in-charge shall make such examination and tests of the work as may then seem to him to be possible, necessary or desirable, and the Bidder shall furnish free of cost any materials and labour which may be necessary thereof and shall facilitate in every way all operations required by the Engineer-in- Charge, in making examination and tests.

Climatic Conditions: The Engineer-in-Charge may order the Bidder to suspend any work that may be subject to damage by climatic conditions and no claims of the Bidder will be entertained by the department on this account.

As per the Ministry of Environment and Forest Guidelines 2010 and Ministry of Urban Development notifications, the Site area shall be protected from dust by fixing Green Fencing around the Construction site area.

The Contractor is instructed to strictly adhere to the following at his own cost.

- a) Supply and Fixing Green barriers and wind breaking walls around their sites.
- b) Cover tarpaulin on scaffolding around area of construction,
- c) Do not store construction material, particularly sand, on any part of the street, roads in any colony,

- d) Dust emissions from construction site are controlled.
- e) Sprinklers should be compulsorily used at the site and Wet jets in grinding and stone cutting must be used.

Safety regulations: While carrying out this work, the Bidder will ensure compliance of all safety regulations as provided in the Safety Code (Annexure-D). The bidder will be responsible for safety of the works.

The Bidder will make his own arrangement: for supply of Water, Light & Power for his works and labour camps etc.: The Bidder will make his own arrangement for supply of water, light and power for his works and labour camps etc. The department will not entertain any claim whatsoever for any failure or break down etc. in supply of electricity to the Bidder. The Bidder will supply and fix his own tested meter of the approved make but the meter will be kept in the custody of the department.

Interference with other Bidders: The Bidder must not interfere with other Bidders who may be employed simultaneously or otherwise by the department at the Site. He will at no time engage departmental labour or that of other Bidders without the written permission of the Engineer-in-Charge. **Bidder is fully responsible for cause of damages of the adjoining works of different works at site and the same cost of rectification of damages shall be recovered from the Bidder as per Engineer In-charge instructions.**

Regulations and bye laws: The Bidder shall conform to the regulations, bye-laws any other statutory rules made by any local authorities or by the Government and shall protect and indemnify JSCL, against any claim or liability arising from or based on the violation of any such laws, safety, theft, ordinance, regulation, orders, decrees etc.

Site Order Book: A site order book shall be kept in the departmental office at the site of the work. As far as possible all orders regarding the works are to be entered in this book. All entries therein shall be signed by the departmental officers in direct charge of the work and the Bidder or his representatives. In the important cases the CEO or TA/ GM/AGM of JSCL will countersign the entries which shall except with the written permission of the TA and the Bidders or his representative shall be bound to take note of all instructions meant for the Bidder as entered in the site order book without having to be called for separately to note them. The Engineer-in-charge shall submit periodically copies of the remarks of the site order book to the CEO, JSCL for record and to the Bidder for compliance and report.

Conversion of units: Whenever in the contract agreement dimensions and units have been expressed in F.P.S. system, the same will be converted in to metric system units by applying the standard conversion table of Indian Standard Institution so as to derive the corresponding figure arithmetically and the Bidder will have to accept the figures so derived without any claim or compensation whatsoever.

Rights of other Bidders and persons: If, during the progress of the work covered by this contract, it is necessary for other Bidders or persons to do work in or about the site of work, the Bidder shall afford such facilities, as the Engineer-in-charge may require.

Employment of technical persons: The Bidder shall employ or produce evidence of having in his employment a qualified technical person not below the rank of a Graduate Engineer from an Institution recognized by the Government of Madhya Pradesh / Govt. of Other State / Govt. of India.

ADVANCES TO BIDDERS:

No Advance amount shall be paid to the bidder.

Escalation: No escalation whatsoever shall be paid.

Scope of Unit rate cost: The unit rate contract shall comprise of the Supply, Installation and Commissioning of Gym Equipment and EPDM rubber flooring. All the works of a temporary or permanent nature required for such works as indicated above in so far as is necessary for providing the same and is specified in the contract.

Open foundations: The Bidder's lump sum tender prices should include provision for cofferdam, diversion drain or stream and bailing out of water or dewatering foundations and shoring etc. No claims for any additional payments shall be entertained.

Ground water level variation: It is liable to vary. No claim due to variation of low water level shall be entertained.

PAYMENT SCHEDULE

Schedule of running payment: Schedule of Running Payment may be based on the following break-up of the lump-sum price subject to the stipulations of conditions of contract.

Failure of Bidder to rectify the defects properly in the given period shall be open for the Engineer-In-Charge, JSCLtogethedefect(s)rectifiedeitherdepartmentallyorthrough otheragency(Withoutcallinganytender / Quotation) and recover the actual cost plus 15 % (Fifteen per cent) of such cost from the Bidder from any sum,inanyformavailablewiththedepartment.
8. If the Bidder or his work people shall break, deface, injure or destroy any part of building/park in which they may be working or any building road curbs, fences, enclosures, water pipes, cable\s, drains, electric or telephone posts or wires, trees, grassland cultivated ground continuous to the premises on which the work or any part of it is being executed or if any damage shall happen to the work while in progress from any cause whatever, or any imperfections become apparent in it within **threemonths**aftera certificate final or otherwise or its completion shall have been given by the Engineer-In-Charge as aforesaid the Bidder shall make good the same at his own expense or in default the Engineer-In-Charge maycausethe sametobemadegood byotherwork men and deducttheexpenseof whichcertificateof the Engineer-In-Charge shall be final) from any sum that may be then or at any time thereafter, may become, due to the Bidder or from his security deposits, or the proceeds of sale thereof or of a sufficient portion thereof. The Bidder hereby also covenants that it shall be his responsibility to see that the Open Air Gym Installedunderthiscontractdo/does performproperlyduringthepreiodofDLPafteritscompletionandifany defects are pointed out to him by the Engineer-In-Charge during the said period the same shall be removed by him own expenses or in default the Engineer-In-Charge. The Bidder needs to provide 5 years warranty of the Item supplied under thiscontracts.
9. Running payment shall be made as per detailed schedule of payments. The detailed schedule shall as be preparedwithinthebroadbreak upofscheduleofrunningpaymentas indicateabove.
10. Proportional part payment may be made for incomplete items of work. These part payments shall be at the sole discretion of the Engineer-In-Charge of theProject.
11. TheBidder/Biddershallgiveinadvanceauthorityletters(s)infavouroftheEngineer-In-ChargeoftheProject authorizinghimtogetallBanks'Fixeddepositsecurity,BankGuarantees(eithernormalsecuritydepositand

or for performance security) to get these Bank Receipts and Guarantee deeds verified and confirmed from the concerned Bank. It will be only after getting such confirmation that the Engineer-In-Charge of the Project shall pay any amount accordingly or refund the equal amount for which BG submitted has been duly verified and confirmed.

12. Extra work and rebate: Extra /Rebate work arising out of this contract shall be valued at prevailing market rate. The rate for such items shall be worked out by the Bidder in consultation with the Engineer-in-charge and approved by the Chief Executive Officer, of JSCL. Such approval of rate[s] must invariably be obtained before taking-up of execution of such item[s] of work. This approved rate shall be final and binding on the Bidder.
13. **This is a Unit Rate contract where time is of utmost importance. No claims of any sort with regard to escalation shall be admissible and therefore no payment what so ever in this regard shall be made.**

Project Management Consultancy:

OBJECTIVE The objective of this Consultancy (the "Objective") is to assist the JSCL in implementation of the Project till the successful completion and handing over of all works to the JSCL and comprehensively supervise the works and activities carried out by the Bidder(s) as "**Engineer's Representative**" under the respective contract(s) in a manner that would ensure:

- a. Total compliance of technical specifications and various other requirements contained in the respective contracts by the Bidder(s);
- b. High standards of quality assurance system in the Consultancy as well as the works and activities of the Bidder(s);
- c. Comprehensive and documented reporting to the JSCL of Consultant's own activities, progress of the Project(s) and compliances/ non-compliances by the Bidder(s);
- e. Proper verification of measurements and bills submitted by the Bidder(s) so that payments made by the JSCL against these bills truly reflect the actual work done at site complying with the requirements of the respective contract(s);
- f. proper interface and coordination among the JSCL, Bidder(s), other Bidders/ Bidders and local bodies/ state government; and
- g. Full documentation of the completed works including applications for various approvals.

The objectives of the PMC is not limited to the above, CEO of JSCL have discretion implement other objectives or the completion of the project.

**SECTION 7:
SPECIFICATIONS**

This section has to be read along with the information provided in Scope of Tender in ITT Section 2

1. Push Chair/Chest Press

Technical Specification

Details of Pipe sizes -

- (i) Central Main Pipe 114 mm.
"C" class (2.5 mm thickness)
- (ii) Sitting Pipe 40 mm
"C" class (2.5 mm thickness)
- (iii) Both Side vertical structure Pipe 40mm
- (iv) Seat metallic Sheet 3 mm MS
- (v) Seat moving Pipe 2" x 2" Sq. MS
- (vi) Upper Handle Pipe 40mm
- (vii) Grip Handle 25 mm
- (viii) Nut & Bolts Galvanized.
- (viii) Permanent Lubricated sealed bearing of reputed brands.

2. Wheel /ShoulderTwister

Technical Specification:

Details of Pipe sizes -

- (i) Central Main frame 114 mm pipe
"C" class (2.5 mm thickness)
- (ii) Both side arm support 40 mm Pipe
"C" class (2.5 mm thickness)
- (iii) Both side rotating wheel 30mm
"C" class (2.5 mm thickness)
- (iv) Both side central wheel supporting pipes 25mm
"C" class (2.5 mm thickness)
- (v) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

3. HandRower

Technical Specification:

Details of Pipe sizes -

- (i) Upper & Lower Iron Channel 50mm x 100mm x 5mm/80mm MS Pipe
- (ii) Bottom Movement 2" Sq. 2" Round Pipe
- (iii) Bottom Main Pipe 114mm
- (iv) Handle 32mm MS
- (v) Footrest MS sheet plate 4 mm Thickness
- (vi) Supporting Pipe 32mm MS

4. Parallel Bar/Hanging Bar

Technical Specification:

Details of Pipe sizes -

- (i) Central Main Pipe 114 mm.
"C" class (2.5 mm thickness)
- (ii) Parallel handle Pipe 32 mm
"C" class (2.5 mm thickness)

5. Pull Chair/Shoulder Press

Technical Specification:

Details of Pipe sizes -

- (i) Central Main Pipe 114 mm.
"C" class (2.5 mm thickness)
- (ii) Sitting Pipe 40 mm
"C" class (2.5 mm thickness)
- (iii) Both Side vertical structure Pipe 40mm
- (iv) Seat metallic Sheet 3 mm MS
- (v) Seat moving Pipe 2" x 2" Sq. MS
- (vi) Upper Handle Pipe 40mm
- (vii) Grip Handle 25 mm
- (viii) Nut & Bolts Galvanized.
- (viii) Permanent Lubricated sealed bearing of reputed brands.

6. Waist Trainer

Technical Specification:

Details of Pipe sizes -

- (i) Central Standing Pipe 114mm
"C" class (2.5 mm thickness)
- (ii) Bottom Twisting legs 32mm
"C" class (2.5 mm thickness)
- (iii) Twister plate 300mm dia round.
- (iv) Handle Pipe 40mm "B" class (2.5 mm thickness)
- (v) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

7. Cycle

Technical Specification:

Details of Pipe sizes -

- (i) Main frame 114 mm.
"C" class (2.5 mm thickness)
- (ii) Upper frame 50 mm
"C" class (2.5 mm thickness)
- (iii) Horizontal support 40mm
"C" class (2.5 mm thickness)
- (iv) Handle 30mm "B" class (2.5 mm thickness)
- (v) Wheels Heavy duty MS plate
- (vi) Revolving paddles
- (vii) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

8. ABS Board(Double)

Technical Specification

Details of Pipe sizes -

- (i) Central Standing pipe 114 mm
“C” class (2.5 mm thickness)
- (ii) Board Lower frame 32 mm
“C” class (2.5 mm thickness)
- (iii) Board Outer Frame 32 mm.
“C” class (2.5 mm thickness)
- (iv) Board Top Made by Rectangular
Pipe 2.5mm x 50 mm
- (v) Board Leg Support Pipe 50mm

9. Air Walker

Technical specification:

Details of Pipe sizes -

- (i) Main frame Pipe 114mm pipe
"C" class (2.5 mm thickness)
- (ii) Swinging Paddle Pipe 50 mm
"B" class (2.5 mm thickness)
- (iii) Footrest 4mm MS Shee
- (iv) Handle 32 mm "B" class (2.5 thickness)
- (v) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

10. Surf Board

Technical Specification

Details of Pipe sizes -

- (i) Central Main Pipe 114 mm.
“C” class (2.5 mm thickness)
- (ii) Side Round Pipe 50 mm
“C” class (2.5 mm thickness)
- (iii) Handle top support 40mm
“C” class (2.5 mm thickness)
- (iv) footrest MS plate 4mm thickness
- (v) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

11. Swing Machine

Technical Specification:

Details of Pipe sizes -

- (i) Bottom Swinging Pipe 50mm
"C" class (2.5 mm thickness)
- (ii) Side round and supporting Pipe 50mm
"C" class (2.5 mm thickness)
- (iii) Swinging Handle 30mm
"C" class (2.5 mm thickness)
- (iv) Metallic foot plates 4mm thickness
- (v) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

12. Leg PressDouble

Technical Specification:

Details of Pipe sizes -

- (i) Central Main Pipe 114 mm.
"C" class (2.5 mm thickness)
- (ii) Sitting Pipe 40 mm
"C" class (2.5 mm thickness)
- (iii) Both Side vertical structure Pipe 40mm
- (iv) Seat metallic Sheet 3 mm MS
- (v) Footrest MS sheet 4 mm Thickness
- (vi) Permanent Lubricated sealed bearing of reputed brands.
- (vii) Nut & Bolts Galvanized.

13. Bony Rider

Technical Specification:

Details of Pipe sizes -

- (i) Main frame 80 mm.
"C" class (2.5 mm thickness)
- (ii) Back round support 50 mm
"C" class (2.5 mm thickness)
- (iii) Front round support 50mm
"C" class (2.5 mm thickness)
- (iv) Moving Seats 50 mm Sq MS.
"C" class (2.5 mm thickness)
- (v) Front Vertical Pipe 50 mm Sq. MS
"C" class (2.5 mm thickness)
- (vi) Handle 40mm "B" class (2.5 mm thickness)
- (vii) Nut & Bolts Galvanized.
- (vii) Permanent Lubricated sealed bearing of reputed brands.

14. Sky Walker (Double)

Technical Specification

The main frame of Sky Walker (Double) is to be made from 100NB & 40NB galvanized pipe with powder coating of minimum 60 micron thickness of class "C" iron. Base plate shall have a dia of 200mm & 10mm thickness. Handle support pipe is to be linked to seat via 25NB Galvanized pipe of 3mm thick. Handle pipes shall consist of grip of 20NB G.I. pipes with suitable PVC/rubber hand grips. The Handle pipe is to be extended to connect foot grip of 25NB G.I. pipes via 40NB bend GI pipe. The handle support pipe is to be pivoted over 100NB support pipe with Zinc plated rectangular tubes of size 50x25x3 mm thick. The HDPE Seat rest over the 10 mm thick M.S. flat with G.I. plating is to be hinged over the 100NB main frame pipe with the help of suitably designed bearing housings & clamps. Bearings used are to be of oil sealed, self-lubricating. Make of bearings shall be as per approved make list. All pipes are to be uniformly powder coated up to minimum 60 micron thickness to avoid corrosion. All open ends of pipe are to be closed by GI/HDPE caps for user safety against entrapment.

15. Cross Trainer

Technical Specification

Details of Pipe sizes -

- (i) Main frame 80 mm pipe
"C" class (2.5 mm thickness)
- (ii) Bottom main frame 114 mm Pipe
"C" class (2.5 mm thickness)
- (iii) Permanent Lubricated sealed bearing of reputed brands.
- (iv) Handle 40 mm "B" class (2.5 mm thickness)
- (v) Footrest MS Plate 4 mm Thickness
- (vi) Grips 32 mm "B" class (2.5 mm thickness)
- (vii) Nut & Bolts Galvanized.

16. Set Up Vehicle

Technical Specification

Details of Pipe sizes -

- (i) Main frame 114 mm.
"C" class (2.5 mm thickness)
- (ii) Upper frame 50 mm
"C" class (2.5 mm thickness)
- (iii) Horizontal support 40mm
"C" class (2.5 mm thickness)
- (iv) Handle 30mm "B" class (2.5 mm thickness)
- (v) Wheels Heavy duty MS plate
- (vi) Revolving paddles
- (vii) Permanent Lubricated sealed bearing of reputed brands.
- (vi) Nut & Bolts Galvanized.

17 Dips and Pushup Bar

Main frame of bar (40 NB GI Pipe) made by 2.5 mm and 3 mm in "C" class. Two frames are kept parallel to each other. All pipes are uniformly power coated up to minimum 60 micron thickness to avoid corrosion.

1. EPDM rubber (ethylene propylene diene monomer (M-class) rubber), Thickness – 24mm.

A type of synthetic rubber is an elastomer which is characterized by a wide range of applications. The *E* refers to ethylene, *P* to propylene, *D* to [diene](#) and *M* refers to its classification in ASTM standard D-1418. The *M* class includes rubbers having a saturated chain of the polyethylene type. For providing space for practicing Yoga, the EPDM floor extends at least 3 M beyond the gym equipment floor.

7.1 Drawings & Design:

JSCL will provide the List of various locations where equipment's will be installed.

GOVERNING DESIGN PARAMETERS FOR DESIGNS

All designs shall conform to the various standards & codes as under:

1. Bureau of Indian Standards

The above list is indicative. Other codes/standards may also be required to be adopted. In such cases, the same shall be adopted upon approved from the Authority (the JSCL)

In the absence of an Indian Code/Standard, following International Codes may be referred to:

Design Code of Practice, Specifications: The Codes of practice and specification which are adopted in the departmental design will be as follows:

Materials of construction of Equipment's and EPDM shall be governed by the relevant Indian Standards Codes of Practice or where such codes are absent in such cases European standards shall be applied.

The design procedure permissible stresses in material and other relevant stipulations shall be governed by the codes of practice published by BIS and other relevant European codes.

New Codes of Practice and amendments issued by the Bureau of Indian standards till the date of tender will also be automatically applicable for the work, similarly amendments and revisions. Specifications made up to the date of tender shall also be applicable.

4.3 Model Rules relating to labour, Water Supply & Sanitation in Labour Camps are given in ANNEXURE - A

SECTION 8: ANNEXURES

PART A: Annexure A to F

ANNEXURE- "A"

MODEL RULES RELATING TO LABOUR, WATER SUPPLY AND SANITATION IN LABOUR CAMPS

Note: These model rules are intended primarily for labour camps which are not of a permanent nature. They lay down the minimum desirable standard which should be adhered to Standards in Permanent or semi-permanent labour camps should not obviously be lower than those for temporary camps. These are to be provided by the bidder at his own cost.

- 1. Location:** The camp should be located in elevated and well drained ground in the locality.
- 2. Labour:** Huts are to be constructed for one family of 05 persons each. The layout is to be shown in the prescribed sketch.
- 3. Hutline:** The huts to be built of local materials. Each hut should provide at least **20 Sq.M.** of living space.
- 4. Sanitary facilities:** There shall be provision of latrines and urinals at least **15 M** away from the nearest quarter separately, for men and women specially marked.
- 5. Latrines:** Pit provided at the rate of 10 users or three families per set. Separate Urinals as required as the privy can also be used for this purpose.
- 6. Drinking water:** Adequate arrangement shall be made for the supply of drinking water. If practicable, filtered and chlorinated supply shall be arranged. Where supply is from intermittent sources, an overhead covered storage tank shall be provided with a capacity of five litres per person per day. Where the supply is to be made from a well it shall conform to the sanitary standards laid down in the report of the Rural Sanitation Committee. The well should be at least 30 meters away from any latrine or other sources of pollution. If possible a hand pump should be installed for drawing the water from well. The well should be effectively disinfected once every month and quality of water should be got tested at Public Health institution between each work of disinfection. Washing and bathing should be strictly prohibited at places where water supply is from a river. The daily supply must be disinfected. In the storage reservoir and given at least 3 minutes contact with the disinfectant before it is drawn for use.
- 7. Bathing and Washing:** Separate bathing and washing place shall be provided for men and women for every **25 persons** in the camp. There shall be a gap and space of **2 Sqm.** for washing and bathing. Proper drainage for waste water should be provided.
- 8. Waste disposal:** Dustbins shall be provided at suitable place in camp and the residents shall be directed to throw all rubbish into these dustbins. The dustbins shall be provided with covers. The contents shall be removed every day and disposed of by trenching or through Municipal solid waste disposal system, if the same exists.
- 9. Medical facilities.**
 - a) Every camp where **1000 or more persons** reside shall be provided with full time doctor and dispensary. If there are women in the camp a full time nurse shall be employed.
 - b) Every camp where less than 1000 but more than 250 persons reside shall be provided with dispensary and a part time nurse/midwife shall also be employed.
 - c) If there are less than 250 persons in any camp a first aid kit shall be maintained by the in-charge of the whole time persons. All medical facilities mentioned above shall be for all residents in the camp, including a dependent of the workers, if any, free of cost. Sanitary Staff: For each labour camp there should be qualified sanitary Inspector & Sweepers should be provided in the following scale:
 1. For Camps with strength over 200 One Sweeper for every 75 persons but not exceeding 500 persons above the first 200 for which three sweepers should be provided.
 2. For camps with strength over 500 One sweeper for every 100 persons above the first 500 for which six Sweepers should be provided.

ANNEXURE – “B” BIDDER’S
LABOUR REGULATIONS.

The Bidder shall pay not less than fair wage to Labourers engaged by him in the work.

Explanation:

- a) “Fair Wages” means wages whether for time or piece work as notified at the time of inviting tenders for the works and where such wages have not been so notified the wages prescribed by the Labour Department for the division in which the work is done.
- b) The Bidder shall, notwithstanding the provisions of any contract to the contrary, cause to be paid a fair wage to labourers indirectly engaged on the work including any labour engaged by his sub- Bidders in connection with the said work as if labourers had been immediately employed by him.
- c) In respect of all labour directly or indirectly employed on the works on the performance of his contract, the Bidders shall comply with their cause to be complied with the labour act in force.
- d) The Chief Executive Officer shall have the right to reduce from the money due to the Bidder any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfilment of the conditions of the contract for the benefit of the workers, non-payment of wages or the deductions made from his or their wages, which are not justified by the terms of the contract or non-observance of regulations.
- e) The Bidder shall be primarily liable for all payments to be made under and for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-Bidders.
- f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be breach of this contract.
- g) The Bidder shall obtain a valid license under the contract (Regulations and Abolition) Act in force and rules made there under by the competent authority from time to time before commencement of work and continue to have a valid license until the completion of the work. Any failure to fulfil this requirement shall attract the penal provisions of this contract arising out of the resulted non-execution of the work assigned to the Bidder.

ANNEXURE „C“

**FORM OF CERTIFICATE OF INCOME TAX TO BE SUBMITTED BY BIDDER TENDERING FOR WORKS
COSTING ₹ 2.00 LAKHS OR MORE.**

1. Name and Title (of the company/firm (HUF) or individual) in which the applicant is assessed to Income Tax and Address for the purpose of assessment.
2. The Income tax Circle /Ward/District in which the applicant is assessed to income tax.
3. Following particulars concerning the last Income tax assessment made. a) Reference No. (or GIR No.) of the assessment
b) Assessment year and accounting year. c) Amount of total income assessed.
d) Amount of tax assessed IT, GST, ST, EPT, and BPT
e) Amount of tax paid IT, GST, ST, EPT, and B.P.T.
f) Balance being tax not yet paid and reasons for such arrears.
g) Whether any attachment or certificate proceedings pending in respect of the arrears.
h) Whether the company or firm or HUF on which the assessment was made has been or is being liquidized, wound up, dissolved, partitioned or being declared insolvent, as the case may be.
i) The position about the last assessment namely whether returns submitted under Section 22(1) or (2) of the Income Tax Act, and whether tax paid under, "Section 18A of the Act and the amount of tax so paid or in arrears.
4. In case there has been no Income tax assessment at all in the past, whether returns submitted under section 21(1) or (2) and 18-A(3) and if so, the amount of Income Tax returned or tax paid and the Income Tax Circle/ Ward/District concerned.
5. The Name and address of branch (es) verified the Particulars set out above and found correct subject to the following remarks.

For and on behalf.

**ANNEXURE-D
SAFETY CODE**

1. Scaffolding:

- (i) Suitable scaffold should be provided for workman for all works that cannot safely be done from the grounds or from solid construction except such short period work as can be done safely from ladder is used on extra labour shall be engaged for holding the ladder for carrying materials as well suitable foot holes and hand holds shall be provided on the ladder and the ladder shall be given an inclination not steeper than $\frac{1}{4}$ to $\frac{1}{4}$ Horizontal and 1vertical).
 - (ii) Scaffolding or staging more than 12 M above, the ground floor swung or suspended from an overhead support or erected with stationer/support shall have a guard rail property attached, bolted, braced or otherwise secured at least 1 meter high above the floor platforms of such scaffolding or staging and extending along the entire length of the outside the ends thereof with only such opening as may be necessary for the delivery of the materials. Such scaffolding or staging shall be fastened as to prevent it from swaying from the building of structure.
 - (iii) Working platform gangways and stairway should be so constructed that they should not away unduly or unequally and if the height of the platform of the Gangway or the stairway is more than 3.54 meters above ground level and or floor level they should be closely bearded, should have adequate width and should be suitably fenced as described (ii)above.
 - (iv) Working platform be provided with suitable means to prevent the falling of persons or materials by providing suitable fencing or railing whose minimum height shall be 1meter.
 - (v) Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. No portable ladder shall be over 9 meter in length while the width between side rails in ring ladder shall be in no case be less than 0.3 meters from ladder up to and including 3 meter length. For longer ladders this width should be increased at least 2 cm. For each additional meter of length. Uniform step spacing shall not exceed 0.3 M adequate precaution shall be taken to prevent danger form electrical equipment. No material on any of the work site shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The Bidder shall also provide all necessary fencing and lights to protect the public from accident and shall be bound to bear the expenses of defence of every suit action or other precautions of law that may be brought by any person for injury sustained owing to neglect of the above and to pay any damages and costs which may be awarded in any such suit action or proceeding to any such person or which may with consent of the Bidder be paid to compromise by any suchperson.
1. Excavation and Trenching: All trenches 1.2 meter or more in depth, shall at all times be supplied with at least one ladder for each 30 Meter in length or fraction thereof. Ladder shall be extended from bottom of the trench to at least 1 meter above the surface of the ground. The side of trenches which are 1.5 meter or more in depth shall be stepped back to give suitable slopes or securely held by timber bracing so as to avoid the danger of sides to collapse The excavated materials shall not be placed within 1.5 meter of the edge of the trench or half of the depth of the trench whichever is more. Cutting shall be done from top to bottom. Under no circumstances undermining or under cutting shall bedone.
2. Demolition: Before any demolition work is commenced and also during the process of theworks.
- (a) All roads and open area adjacent to the work site shall either be closed or suitablyprotected.
 - (b) No electric cable or apparatus which is liable to be a source of danger over a cable or apparatus used by the operator shall remain electricallycharged.
 - (c) All precautionary steps shall be taken to prevent danger to persons employed from risk of fire or explosion of flooring. No floor roof or other part of the building shall be so overloaded with debris of materials as to render itunsafe.
3. Painting: All necessary personal safety equipment as considered adequate by the Engineer-in-charge should be kept available for the use of person employed on the site and maintained in a condition suitable for immediate use and the Bidder should take adequate steps to ensure proper use of equipment by those concerned.
- a) Workers employed on mixing asphaltic materials cement lime mortars shall be provided with protective footwear and. protectivegoggles.

- b) Stone brackets shall be provided with protective goggles and protective clothing, and seated at sufficiently safe intervals.
 - c) Those engaged in welding work shall be provided with welder's protect.
 - d) When workers are employed in sewers and manholes which are in use, the Bidders shall ensure that the manhole covers are open and are ventilated at least for an hour before the work shall be coronet off with suitable railing and provided with warning signals or boards to prevent accident to the public.
 - e) The Bidder shall not employ men below the age of 19 and women on the work of painting with products containing lead in any form whenever men above the age of 18 are employed on the work of lead painting the following precautions should be taken.
 - f) No paint containing lead or lead shall be used except in the form of paste or ready made paint.

SECTION 9: Contract Agreement

(To be submitted on Stamp Paper)

1. GENERAL

This pre-bid contract agreement (hereinafter called the Integrity Pact) is made on day of the month between the Jabalpur Smart City Limited (JSCL) acting through Shri/Smt. (Designation of the JSCL officer) (Hereinafter called the "BUYER" which expressions shall mean and include, unless the context otherwise requires, his successors in the office and assigns) and the First Party, and M/s. represented by SMPi (herein after called the BIDDER/Seller, which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) and the Second Party, is willing to offer/ has offered.

2. OBJECTIVES:

NOW, THEREFORE, the BUYER and the BIDDER agree to enter into this contract agreement, hereinafter referred to as Integrity Pact to avoid all forms of corruption by following a system that is fair, transparent and free from any influence/ prejudiced dealings prior to, during and subsequent to the Contract to be entered into which a view to:-

Enabling the BUYER to obtain the desired Stores/ Equipment/Work/Service at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDER to abstain from bribing or indulging in any corrupt practices in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing any corrupt practices and the BUYER will commit to prevent corruption, in any form, by its official by following transparent procedures.

3. COMMITMENTS OF THE BUYER

The BUYER commits itself to the following:-

The BUYER undertakes that no official of the BUYER connected directly or indirectly with the contract, will demand, take promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefits or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

The BUYER will, during the pre-contract stage, treat BIDDERS alike, and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to the other BIDDERS

All the officials of the BUYER will report the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such breach.

In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with the full and verifiable facts and the same *prima facie* found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

4. COMMITMENTS OF BIDDERS

The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:-

The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.

The BIDDER further undertakes that it has not been given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage, or inducement to any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Government for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Government.

The BIDDER further confirms and declares to the BUYER that the BIDDER is an original Manufacturer/Integrator/Authorized government sponsored export entity of the stores and has not engaged in individual or firm or company whether Indian or Foreign to intercede, facilitate or in any way to recommend to the BUYER or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.

The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payment he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.

The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.

The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.

The BIDDER shall not use improperly, for purpose of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposal and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.

The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.

The BIDDER shall not instigate or cause to instigate any third person to commit any of the acts mentioned above.

5. PREVIOUS TRANSGRESSION

The BIDDER declares that no previous transgression occurred in the last three years immediately before signing this Integrity Pact with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify Bidder's exclusion from the tender process.

If the BIDDER makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reasons.

6. EARNEST MONEY (SECURITY DEPOSIT)

Every BIDDER while submitting commercial bid, shall deposit an amount as specified in RFP as Earnest Money/ Security Deposit, with the BUYER through any of the following instruments:

Bank Draft or Pay Order in favour of.....

A Confirmed guarantee by an Indian Nationalized Bank, promising payment of the guaranteed sum to the on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.

Any other mode or through any other instrument (to be specified in the RFP).

The Earnest Money/ Security Deposit shall be valid up to a period of five years or the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and BUYER, including warranty period, whichever is later.

In the case of successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

No interest shall be payable by the BUYER to the BIDDER on Earnest Money/ Security Deposit for the period of its currency.

7. SANCTIONS FOR VIOLATIONS

Any breach of the aforesaid provisions by the Bidder or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions, wherever required:-

To immediately call off the pre contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(S) would continue.

To forfeit fully or partially the Earnest Money Deposit (in pre-contract stage) and/ or Security Deposit/ Performance Bond (after the contract is signed), as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.

To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.

To recover all sums already paid by the BUYER, and in case of the Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate while in case of a BIDDER from a country other than India with interest thereon at 2 % higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract such outstanding payment could also be utilized to recover the aforesaid sum and interest.

To encash the advance bank guarantee and performance bond/ warranty bond, if furnished by the BIDDER, in order to recover the payments already made by the BUYER, along with interest.

To cancel all or any other contracts with the BIDDER and the BIDDER all be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.

To debar the BIDDER from part on behalf of the participating in future bidding processes of the Government of Madhya Pradesh for a minimum period of five years, which may be further extended at the discretion of the BUYER.

To recover all sums paid in violation of this Pact by BIDDER(S) to any middlemen or agent or broker with a view to securing the contract.

In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BIDDER, the same shall not be opened.

If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER, either directly or indirectly is closely related to any of the officers of the BUYER or alternatively, if any close relative of an officer of the BUYER has financial interest/stake in the BIDDER'S firm, the same shall be disclosed by the BIDDER at the time of filling of tender. Any failure to disclose the interest involved shall entitle the BUYER to rescind the contract without payment of any compensation to the BIDDER.

The term, "close relative" for this purpose would mean spouse whether residing with the Government servant or not, but include a spouse separated from the Government servant by a decree or order of a competent court: son or daughter or custody the step son or step daughter and wholly dependent upon Government servant, but does not include a child or step child who is no longer in any way dependent upon the Government servant or of whose the Government servant has been deprived of by or under any law; any other person related, whether by blood or marriage, to the Government servant or to the Government servant's wife or husband and wholly dependent upon Government servant.

The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the BUYER, and if he does so, the BUYER shall be entitled forthwith to rescind the contract and all other contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.

7.2. The decision of the BUYER to the effect that a breach of the provisions of this pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the Monitor(s) appointed for the purpose of this Pact.

8. FALL CLAUSE

The BIDDER undertakes that it has not supplied/is not supplying similar product/ systems or subsystems at a price lower than that offered in the present bid in respect of any other Department of the Government of Madhya Pradesh or PSU and if it is found at any stage that similar product/ systems or sub systems was supplied by the BIDDER TO any other Department of the Government of Madhya Pradesh or PSU at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BUYER, if the contract has already been concluded.

9. INDEPENDENT MONITORS

The BUYER will appoint Independent Monitors (hereinafter referred to as Monitors) for this Pact.

The task of the Monitors shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

The Monitors shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.

Both the parties accept that the Monitors have the right to access all the documents relating to the project/ procurement, including minutes of meetings. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/Sub Bidder(s) with confidentiality.

As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.

The Monitor will submit a written report to the designated Authority of BUYER/ Secretary in the Department/ within 8 to 10 weeks from the date of reference or intimation to him by the BUYER/BIDDER and, should the occasion arise, submit proposals for correcting problematic situations.

10. FACILITATION OF INVESTIGATION

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the

BIDDER shall provide necessary information of the relevant documents and shall extend all possible help for the purpose of such examination.

11. LAW AND PLACE OF JURISDICTION

This Pact is subject to Indian Law, the place of performance and jurisdiction shall be the seat of the BUYER.

12. OTHER LEGAL ACTIONS:

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the any other law in force relating to any civil or criminal proceedings.

13. VALIDITY

The validity of this Integrity Pact shall from the date of its signing and extend up to 3 Months or the complete execution of the contract to the satisfaction of both the BUYER and the BIDDER/Seller whichever is later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.

If one or several provisions of this Pact turn out to be invalid; the remainder of this pact shall remain valid. In such case, the parties will strive to come to an agreement to their original intentions.

14. The parties hereby sign this Agreement at.....on.....
