

General Notes:

1. All dimensions are in meters, if otherwise specified.
2. Dimensions are to be read and not to be scaled.
3. The contractors must verify all dimensions on site and refer the relevant structural and other MEP drawings before commencing any work, and in case any discrepancy is noticed the same shall be brought to the notice of the Consultant and shall be clarified before execution of work.
4. All survey carried out through visual study of the building and no destructive analysis has been carried out.
5. Refer this drawing along with the other relevant architectural, structural and MEP services drawings.
